By submitting this application to Textron, the Applicant and Principal, each consents and authorizes Textron to obtain from any credit reporting agency or from any person such information as it requires, and to use the information obtained from either the Credit Applicant or other sources in evaluating the extension of credit to the Credit Applicant, including disclosing such information to the appropriate source of funding for any credit eventually provided. I certify that the information provided in this credit application is accurate and complete. I also authorize you to obtain information from the references concerning Credit Applicant's dealings with them. Once the Applicant has received an approval for credit from Textron and so long as Applicant has performed pursuant to the terms of any agreements executed between Applicant and Textron, Textron in its sole discretion may issue further credit approval to Applicant. Textron reserves the right to request and receive any additional information as it requires or it may deem necessary to issue future credit to the Applicant

**CONSENT & ACKNOWLEDGEMENT**

Recognizing that my personal credit history and personal financial status will be a factor in the evaluation of the credit history or credit worthiness of the "Credit Applicant" or in the evaluation of my personal guarantee of the obligation of the Credit Applicant, I hereby consent and authorize TEXTRON FINANCIAL CANADA LIMITED, and all subsidiaries and corporate affiliates thereof (collectively, "TFC") to obtain and use consumer credit reports, bank references, conduct background checks and PPSA lien searches and obtain financial information pertaining to the Applicant's and my financial and credit history and/or creditworthiness as provided by me or obtained from any credit reporting agency or other sources from which TFC receives such reports (inclusively, "Personal Data"), in connection with the Credit Applicant's application for the extension of business credit by TFC. In connection with any such application for business credit, the undersigned further agrees that TFC's permission to obtain and use a consumer credit report about me shall be ongoing and shall relate not only to the evaluation and/or extension of the business credit requested, but also for purposes of reviewing the account, increasing the credit line on the account (if applicable), taking collection action on the account, and for any other legitimate business purpose associated with servicing the account as may be necessary from time to time. TFC will not retain my Personal Data for any longer than is necessary or required by applicable laws. I further consent to TFC disclosing my Personal Data to affiliated and non-affiliated companies solely for: (i) the processing, administering, servicing or enforcing of the account, (ii) the purposes of a sale, merger, transfer of all or part of the business or operating unit of TFC or any sale, participation or securitization of the credit applicant's account, or (iii) any purpose otherwise permitted by applicable law. I may withdraw any of the above consents at any time by notifying TFC in writing of such withdrawal. In some circumstances, such a withdrawal of consent could constitute a default under the loan agreement and/or make TFC unable to continue to provide services to, or offer credit to, myself or the Credit Applicant. For example, TFC may not be able to continue to service a loan account if my consent to the provision of personal information to affiliated service providers were to be withdrawn.
